Family Literacy Week January 22 – 27, 2017

We will be recognizing Family Literacy Week with our own Bench Family Literacy Day on **Friday, January 27th**, where we will have a reading session for students and their family members. We are inviting parents (*and grandparents*) to come into the school to read with their children. You can bring a favourite book to share with your child or you can choose one from the classroom.

We will gather in the gym, then everyone will go off into the various classrooms to enjoy some family reading time.

“The reading and learning habits we develop at an early age set the stage for our success later in life.”

We understand that not all parents will be able to join us on this day. Younger children will be buddied up with other families or with a big buddy from an older grade. Older children can read with a younger buddy.
