Joseph Boudreau, Principal

January 12, 2017

Dear Parents / Guardians:

Bench Elementary is planning to offer multi-grade activities that expose the students to a variety and range of new opportunities. We know that there is a wealth of knowledge and talent in our community that we would like our students to experience. For example: bike repair, cooking, arts and crafts, painting, photography, scrapbooking, geo-caching, woodcraft, RC vehicles, dance, 1st Aid, etc.

We hope to offer two afternoon sessions of Friday, April 21st and 28th with sessions running from 1:15 - 2:15 p.m.

If you or someone you know would like to share your passion with a group of students in a classroom setting, and are available on the above dates and times, we would love to hear from you.

Please return this form to your child's classroom teacher on or before February 3, 2017.

Yours truly,

Joseph Boudreau
Principal
